The Board discussed the investigative report. Ms. Richardson moved the Board further investigate the case and instruct staff to complete an audit of Ms. Gaubis’ Arizona required continuing competence for the 2008-2010 compliance period and provide 30 days for Ms. Gaubis to respond to the audit. Dr. Cornwall called the Board’s attention to the above agenda item. Ms. Allen was not present and was not represented by legal counsel. Mr. Brown provided the Board with a summary of the allegations. Ms. Allen failed to notify the Board’s office when she was arrested for a DUI on August 6, 2009. Ms. Allen was disciplined in the State of California for violation of section 23152(b) Driving Under the Influence of Drugs or Alcohol on March 16, 2010. The Board discussed the investigative report. Dr. Cornwall moved the Board dismiss the complaint and issue Ms. Allen a non-disciplinary advisory letter. The letter shall advise Ms. Allen to comply with all terms of her disciplinary order with the California Board of Physical Therapy, refrain from personal conduct that may be in violation of A.R.S. §32-2044 and to ensure if future criminal matters occur that they are reported to the Board as required by law. Mr. Brown asked Mr. Hargraves if the Attorney General’s Office had received any information related to advisory letters being required to state if a violation of law occurred or not and specifically address the law violated or, if no violation occurred, specifically address the Board’s concern. Mr. Hargraves stated he had no knowledge of any requirements and advised the Board to continue creating advisory letters as they have in the past until otherwise advised.

iii. Complaint #10-32; Raymond Popp, P.T.

Dr. Cornwall called the Board’s attention to the above agenda item. Mr. Popp was not present and was not represented by legal counsel. Mr. Brown provided the Board with a summary of the allegations. The Board discussed the investigative report. Dr. Cornwall expressed concern with Mr. Popp surrendering his license in another jurisdiction rather than dealing with the consequences of not completing continuing competence requirements. Dr. Cornwall moved the Board further investigate the case and instruct staff to complete an audit of Mr. Popp’s Arizona required continuing competence for the 2008-2010 compliance period and provide 30 days for Mr. Popp to respond to the audit. Ms. Ohlendorf recused herself from this agenda item and disclosed a previous work history with Mr. Sifling. Ms. Ohlendorf left the Board table. Mr. Brown provided the Board with a summary of the allegations. On May 8, 2009, Mr. Sifling was reinstated as a licensed physical therapist in Arizona as a condition of his entering into a consent agreement with the Board, which the Board approved on April 28, 2009. Mr. Sifling had requested modifications to the order, which were granted; however, Mr. Sifling never signed the modified agreement. Mr. Sifling reported he could not afford to maintain his compliance with his recovery program because of his lack of ability to find work. Mr. Sifling has not maintained compliance with his terms of probation; however, he was not working until approximately April-May 2010. Mr. Brown reported that the Board’s memo described the terms of Mr. Sifling's Board Order that Mr. Sifling may have violated including the use of controlled substances and the receipt of disciplinary action at his place of employment. Mr. Brown reported the matter is before the Board to consider Mr. Sifling’s compliance with the terms of the Board Order and to consider lifting the stay on the revocation of his license.

The Board discussed Mr. Sifling’s compliance and the concern with him practicing if he has relapsed in his substance abuse. The Board discussed the multiple chances Mr. Sifling has had to comply with the terms of his Board Order now and in past Orders. Dr. Cornwall moved the Board notice Mr. Sifling of the Board’s intent to hear the matter of his non-compliance with the terms of his Board Order on September 28, 2010 and their intent to lift the stay on the revocation of his license to practice physical therapy. In addition, any request from Mr. Sifling for approval of a supervisor in accordance with his Order is presented directly to the Board and cannot be approved by Board staff.
