a) Initial Review, Discussion and Action on Complaint

vi. Complaint #11-45; Michael Krause, PT

Mr. Krause was not present, but was represented by his legal counsel, Kraig Marton. Ms. Donahue provided the Board with a summary of the complaint allegations. Mr. Krause’s former employer alleges that Mr. Krause falsified records of visits made to patients receiving home care. Specifically, submitting records for purported physical therapy services that he did not perform.

Mr. Marton addressed the Board. He stated that he is aware that the Board will likely send the complaint to a Formal hearing, but read the Board a letter from Mr. Krause’s current employer. Mr. Marton provided a copy of the letter to the Board and staff.

Ms. Akers moved the Board vote the complaint to be heard at an Informal Hearing. Mr. Robbins seconded the motion. During discussion and after suggestion by Dr. Miller and Mr. Clinton, Ms. Akers determined to modify her motion to offer Mr. Krause a consent agreement in lieu of the hearing. The Consent Agreement would include an order for one year of probation, 16 hours of continuing education in ethics, the hiring of an outside monitor, require the monitor to review 10 patient files monthly for billing accuracy and report the findings to the Board, continuing Mr. Krause’s counseling on a monthly basis and requiring the counselor to provide the Board with monthly reports. Mr. Robbins maintained his second of the motion to include Ms. Akers modification. Following review and discussion the modified motion passed by unanimous vote.

ii. John Barnes, PT

The Board discussed the allegations against Mr. Barnes that he is refusing to allow a physical therapist in another state to take his continuing competence courses in Arizona. Ms. Akers moved the Board decline opening the complaint as the allegation if true would not constitute a violation of A.R.S. §32-2044, Grounds for disciplinary action. Mr. Robbins seconded the motion. After review and discussion the motion carried.
